29 APR 1958

MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE AGENCY

ATTN:

25X1A9a

SUBJECT: Accreditation of USAF Sub-areas for Receipt and Storage  
of TALENT Materials.

1. Reference our telephone conversation of 29 April 1958, it is requested that Room 1138 of Building Tempo U be surveyed and inspected and accredited to receive and store TALENT materials. The USAF TALENT Control Officer will accompany you at your convenience. Arrangements may be made by contacting Captain McCollester at Department of Defense, extension 64053.

2. For your information and future planning, a series of re-organizations of AFCIN and moves within the Washington area are contemplated within the near future. These moves will involve the extension of TALENT sub-control areas to:

- a. Arlington Hall
- b. Guam Hall
- c. Naval Security Station
- d. Air Research and Development Command  
(Andrews Air Force Base, Md.)

3. Construction is presently in progress to provide secure facilities at each of these installations. You will be informed as construction progresses to a point which makes inspection feasible.
